ADP04 - UNIVERSAL AC ADAPTER

Universal AC Adapter supplies power to 9050 Charger Base (CHG04). Powerful 3A output allows fast charging of Lithium Ion Batteries from almost any AC source.

- » Universal 100V-240V Input
- » UL, Rohs, and CA Prop 65 Compliant
- » Powerful 12V, 3A, 36W output

CHG04 - HIGH POWER CHARGING BASE

CHG04 Charging Base is a leap forward in Flashlight/Lantern charging technology. Fast charging of up to 50Wh in only 5.5 hours is a fraction of the time of current rechargeable commercial lanterns. Additionally, this advanced Charger has voltage conditioning developed for use with vehicle mounted applications, ensuring years of safe, reliable use.

- » 3A of powerful quickly charges 9050 Lantern in only 5.5 hours, regardless of Li-ion cell quantity.
- » AC or DC power connection possible with charge accessories
- » Positive lock and charge indicator guarantees lantern is receiving charge and indicates when charge is complete
